---

## Research Interests:

Old Testament Studies – Especially intertestamental connections and biblical theology.

Church History – Especially early church history (2<sup>nd</sup>-4<sup>th</sup> centuries) and modern church history.

Practical Theology – Homiletics, Counseling, Discipleship, Leadership, and Pastoral Care.

Sociology of Religion – How does the surrounding culture effect the church of Christ throughout the generations and in various locations?

Christian Media Ecology – How does the medium of a theological message effect the meaning, delivery, or content of that message?
